
Runnin' Utes Show Some Toughness

It was great to see the Runnin' Utes show some toughness on the court last night. When they got down, then fought their way back into the game and almost came out with a win.

While watching the game I noticed we were putting a body on players consistently and were setting hard/solid screens. Luke Nevill appears to be tougher than last year, but he is still soft in my eyes.

Boylen will keep working on him and we'll get him to be tough without getting into foul trouble.
