It looked ugly from the start being down 16-4 early, but then the team stepped up their play to be up by 6 at half and blow them out by 20. Boylen has got things going in the right direction.

I still don't know how this team is going to end up, but give Boylen a couple years and we'll see what happens.

Yep he's already got his recruiting class for next year shored up and that's good news. Plus he's tapping the midwest which has a ton of basketball talent :)
